## PURCHASE AMBK ON OUR PLATFORM

- AMBK is the next evolution of electronic money, fast, efficient and safe.
- The first mixed cryptocurrency for investors, merchants, communities and affiliates.
- AMBK Coin is a peer-to-peer (P2P) Internet, currency which allows private, instant and fast transactions using the Zerocoin protocol, with low transaction taxes for any client in the world.
- With increase in use of digital payments, payments in cryptocurrencies will become easier. We believe that people will rely more and more on decentralized forms of financial services, this being the reason for creating an easy-to-use and reliable system..

AFTER INSTALLATION, YOU  
MUST FIRST BACK UP YOUR WALLET

- Click on the name of the wallet you created.

- Click on the three dots at the top

1 AMBK = R\$ 0.45 BRL (-0.01%)
